Changing the Game Libraries Play: *Innovation and Appreciative Inquiry*

Our Keynote Speakers...

- **Kathryn J. Deiss, Content Strategist, Assn. of College & Research Libraries**
Tapping the Creative Spirit to Spur Innovation
- **Gene Spencer, Gene Spencer Consulting**
Tapping Appreciative Inquiry to Unleash your Positive Spirit

Please join Ms. Deiss, Mr. Spencer, and your ACLCP colleagues for a creative, inspiring, and thought-provoking day of programs. Ms. Deiss will guide us through the concept of “everyday creativity.” Be prepared to have fun and learn surprising things about the creative impulse and how it can make your workplace a more effective one. Mr. Spencer will address *appreciative inquiry*—an approach to personal and organization change based on the assumption that questions and dialogue about strengths, successes, values, hopes, and dreams are themselves transformation—in both his talk and an afternoon workshop.
